

Alzheimer Society

BRITISH COLUMBIA

July 11, 2019

Eric Muir
Senior Vice President
Muir Investment Team
4720 Kingsway Avenue
Burnaby, BC V5H 4N2

Dear Eric,

I would like to take this opportunity to thank you for your generous support of the Alzheimer Society of B.C. through your Climb for Alzheimer's—Mount Baker event. Your support of those in British Columbia affected by Alzheimer's disease or other dementias is much appreciated.

Before there's a cure, there's care.

Our vision is of a world without Alzheimer's disease and other dementias, but until that day comes, we are working towards a world in which people living with the disease are welcomed, acknowledged and included. It will take courage and leadership to break down stigma and shame and take steps to build a society that is friendlier, more accepting and more supportive of people living with dementia, whether they are in our families, our communities, or our workplaces.

Through your contribution, you are ensuring that British Columbians affected by the disease have access to support, education and information at any stage of the journey through First Link® dementia support. You are building awareness through the growth of Dementia-Friendly Communities and dementia education specifically for health-care providers. You are enabling research into the causes and possible cures for dementia. Through your support, we are able to bring B.C. a step closer to becoming a truly dementia-friendly province.

Thank you once again for supporting our work to deliver Help for Today, *Hope for Tomorrow...*®

Sincerely,

Magda Kapp
Development Officer
